

Dear Friends,

Uplifting People Inc., along with the Prison Ministry of Providence Baptist Church and the Prison Ministry of True Vine International Ministries would like to invite you to join us for an evening of education and entertainment, Saturday, April 14, 2007 at 4:00pm.

“Reentry: The Faces of our Community”

This will be an evening that everyone in the family can enjoy. There will be performances from the Praise Team of True Vine International Ministries, C-K Mime and the Drama Ministries of Providence Baptist Church. We will also be treated to a special performance by The Reentry Actors Guild, performing a stage play.

Also, we want you to have an opportunity to invest in **community safety** by advertising in our Playbill Program. The cost of advertising your business or organization on a full page ad is fifty dollars, and on a half page, twenty five dollars. **You may also elect to become Pioneer Contributor** for Uplifting People for only \$100. As a **Pioneer Contributor** your company name or your name will be feature on Uplifting People’s website (upliftingpeople.org), and you will also receive our special newsletter and prima seating at our events.

You should know your support is truly valuable and will allow us to serve one hundred individuals who will be released from prison. **These prisoners will then have a far greater chance of becoming** successful and lawful citizens once released from Hancock State Prison. Prisoners who participate will receive concentrated services designed for their individual needs that prepare them to reenter our community motivated, optimistic, and with significantly better educational and social skills that support their employability and good citizenship.

Please support this important community safety effort by placing an ad in the Playbill Program and be a **Pioneer Contributor**. For more information please visit our website www.upliftingpeople.org or contact Frankie Lee at 404-643-7528, or Renee Wilson (404) 396--4724.

In-Service for the Community,

Kevin Wilkinson, CEO
Uplifting People Inc.
