

Community Action and Social Responsibility Survey

What are **you willing to do** to help release prisoners to obtain housing, employment, educational and skill building services, entrepreneurial opportunities, necessary material resources, health care, counseling, substance abuse prevention services and spiritual support? Through these services and programs we can insure that every ex-prisoner who so desires can live a productive law-abiding life in our communities?

Check all that you are able to do or provide,

- become (pioneer contributor) a monthly contributor to a program of Uplifting People
- Employment Housing Mentoring Financial Support
- I will pray that housing, jobs and financial resources are made available for release prisoners.
- Host in my home a Leadership in Action Community Re-reentry Reception
- Donate a ugly house Donated a car Donate lawn equipment volunteer
- support my prison ministry at church Counseling service
- give financial support to organizations that are helping prisoners and released prisoners (uplifting people Inc.)
- Allow a released prisoner to live in my home. Facilitate a skill building class at a prison
- Host at my Church a Leadership in Action Community Re-reentry Reception
- give financial support of \$280 for one prison to have housing nothing
- I don't care enough about this issue I am just hanging in their, can't help now
- This is the government's responsibility I don't have financial resources to help
- This is not my problem this issue doesn't concern me
- I don't have any responsibility in keeping our community safe or improving my community.

Are you willing to become part of a **community wide grassroots movement, to improve our communities** by ensuring that there are opportunities for prisoners and release prisoners to obtain housing, employment, educational and skill building services, entrepreneur opportunities, necessary material resources, health care, counseling, substance abuse prevention services and spiritual support? Through these services and programs we can insure that every ex-prisoner who so desires can live a productive law-abiding life in our communities?
